PRE-ANESTHETIC INSTRUCTIONS

- **It is absolutely essential that you do not eat or drink six (6) hours before your appointment**, this includes NO WATER. We recommend that you have a light meal **before** the six-hour fasting period. If you are taking medication, please continue to do so with a sip of water, unless otherwise instructed.
- **A responsible adult needs to come with you, stay in the lobby for the entire procedure, and drive you home.** You must not drive, operate hazardous machinery, make important decisions, or work for 24 hours after your sedation or general anesthesia. Arrangements should be made to have someone help care for you at home. You should not be alone.
- Patients who are under the age of 18 need their parent or guardian to be present the day of surgery to sign the informed consent.
- You and your escort should be present 10 minutes before your scheduled appointment. Payment will be expected prior to the procedure and a follow-up appointment will be made at that time, if necessary.
- If you develop a cough, cold or flu-like symptoms please notify our office as soon as possible. This may require postponement of your surgery.
- **Do not wear contact lenses**, if you wear contact lenses you will be required to remove them before the procedure. Please wear glasses the day of your surgery.
- Please remove any artificial fingernails and fingernail polish prior to your appointment.
- Loose fitting clothing or a short sleeve shirt should be worn the day of surgery. Avoid wearing flip-flops or sandals.
- Please make your surgery appointment within six months of your consultation. Price estimates are not guaranteed after six months.
- These instructions are designed for your comfort, protection, and safety. Failure to follow any of these instructions may cause a cancellation of your surgery. We appreciate your understanding and full cooperation. Thank You!
